AL-type amyloidosis, presenting with rapidly deteriorating liver involvement (letter), 297
5-Aminosalicylic acid, 1,000-mg caplets vs. 500-mg tablets of, 287
Amyloidosis
  AL-type, presenting with rapidly deteriorating liver involvement (letter), 297
  primary systemic with giant hepatomegaly, 173
Anomy, peptic ulcer incidence and, 140
Antibiotics, prophylactic, with variceal sclerotherapy, 90
Anticardiolipin antibody, HCV hepatitis with, 40
Antithyroid therapy, effect of, 180
Antiulcerative agents, concurrent use of, 207
Antral ulcers, multiple, in gastric sarcoid, 97
Anxiety, in gastrointestinal endoscopy, 220
Arthralgia, as early extraintestinal symptom of Whipple's disease, 18
5-ASA, nephrotic syndrome from, 37
Asia, acute viral hepatitis E in, 235
Aspiration pneumonitis, PEG placement and after stroke, 74
Autoimmune gastritis, with primary biliary cirrhosis, 270
Autointoxication, colonic irrigation and, 196
Autonomic nerve tumor, gastrointestinal, with giant abscess, 280

Bacterial endocarditis, following endoscopic variceal sclerotherapy, 90
Barium swallow, PEG placement after stroke and, 74
Barrett's adenocarcinoma, AIDS-related, 184
Barrett's esophagus, 133
  esophagectomy and, 92
  synchronous primary neuroendocrine carcinoma and adenocarcinoma in, 116
Bezoar, causing acute pancreatitis, 120
Bile duct cannulation, sincalide as aid in, 227
Biliary cirrhosis
  1,25-dihydroxyvitamin D, calcium, and calcitonin for severe osteodystrophy in, 239
  gastric carcinoid and, 270
  idiopathic thrombocytopenic purpura in liver transplant recipient with, 274
Biliary disease (book review), 127
Biliary stent migration, small-bowel perforation from, 106
Biliary stricture, postcholecystectomy, 169
Billroth II anastomosis, duodenal villous adenoma of afferent limb of, 290
Biochemical tests, liver, for hyperthyroidism, 180
Bleeding cardiac varices, endoscopic injection sclerotherapy with 1.5% sotradecol for, 161
Blood donors, HIV infection in, 43
Bone marrow transplantation, fatal diffuse invasive gastrointestinal candidiasis after, 165
Bone mineral density, with severe osteodystrophy in primary biliary cirrhosis, 239
Book review: liver and biliary diseases, 2nd ed, 127
Budd-Chiari syndrome, fulminant acute, from adrenal tumor, 110
Bukharian Jews, high prevalence of hepatitis B and C in, 30

Cajal, interstitial cell of, 133
Calcitonin, for severe osteodystrophy in primary biliary cirrhosis, 239
Calcium, for severe osteodystrophy in primary biliary cirrhosis, 239
Candida liver abscess, after orthotopic liver transplantation, 176
Candidiasis, fatal diffuse invasive, masking as ileus after bone marrow transplantation, 165
Cannulation, bile duct, sincalide as aid in, 227
Carcinoid tumor, gastric, primary biliary cirrhosis and, 270
Carcinoma
  in Barrett's esophagus, 116
  mimicry of, 121
  with nephrotic syndrome from 5-ASA, 37
Cerebrovascular accident, HCV hepatitis with, 40
Chemotherapy, after bone marrow transplantation, 165
Children
  Crohn's disease in, 224
  gynecomastia with metoclopramide use in, 79
Cholangiography, intravenous, with three-dimensional helical computed tomography, 169
Cholangiopancreatography, endoscopic retrograde, sincalide as aid in, 227
Cholecystokinin agonist, in endoscopic retrograde cholangiopancreatography, 227
Cholestasis
  in primary systemic amyloidosis with giant hepatomegaly, 173
  ursodeoxycholid acid in managing, 125
Chronic hepatitic C virus hepatitis, with anticardiolipin antibody and cerebrovascular accident, 40
Clinical studies, of acute viral hepatitis E in Singapore, 235
Clinicopathology, of submucosal carcinoma of stomach, 150
Cocaine, ischemic colitis with small-vessel thrombosis of colon and gallbladder and, 43
Cohort study, of psychological predictors of peptic ulcer incidence, 140
Coinfection, in viral hepatitis E, 235
Colchicine, for peritoneal mesothelioma, 276
Colon
  carcinoma of
    mimicry of, 121
    with nephrotic syndrome from 5-ASA, 37
  cocaine effects on, 43
  diverticular disease of with colosalpingeal fistula, 187
  irrigation of, autointoxication theory and, 196
  research on cancer of, 133

Colonoscopy
predictors of patient cooperation during, 220
in relief of large bowel obstruction with sigmoid colon gallstone ileus, 291
splenic rupture after, 257
Colorectal cancer, hypersecretory states in, 21
Colorectal neoplasia, in Zollinger-Ellison syndrome and acromegaly, 21
Colorectal tumor, defense against by foamy cells, 82
Colosalpingeal fistula, with diverticular disease of colon, 187
Computed tomography
in gallstone ileus, 58
for gastrointestinal autonomic nerve tumor with giant abscess, 280
three-dimensional helical, with intravenous cholangiography, 169
Crohn's disease
in late adolescence, 224
mesalamine-induced hypersensitivity pneumonitis in, 34
